Jesus said: "Heaven and earth will pass away, but my words will never pass away." (Mk. 13:31) As I grow in my new life in Christ, I will become more aware of the hundreds of wonderful promises and gifts that are now mine as a child of God. These are mine to experience by faith in God and His unchanging Word – trust which I demonstrate or express through obedience. I am never to put my faith or trust in my feelings, my personal opinions, or my good works, because these things can and will change from day to day. I grow as I learn to think and act on the basis of what God says is true about Himself, me, other people, and the world around me.
